Dear Dr El Badriati,

Thank you for submitting your manuscript to **Heliyon**. We have now received all of the editor and reviewer comments on your recent submission to **Heliyon**. Your paper should become acceptable for publication pending suitable minor revision outlined below. We ask that you respond to each reviewer comment by either outlining how the criticism was addressed in the revised manuscript or by providing a rebuttal to the criticism. This should be carried out in a point-by-point fashion as illustrated here: <https://www.cell.com/heliyon/guide-for-authors#RevisionsTo> allow the editors and reviewers to easily assess your revised manuscript, we also ask that you upload a version of your manuscript highlighting any revisions made. You may wish to use Microsoft Word's Track Changes tool or, for LaTeX files, the latexdiff Perl script (<https://ctan.org/pkg/latexdiff>).

To submit your revised manuscript, please log in as an author at <https://www.editorialmanager.com/heliyon/>, and navigate to the "Submissions Needing Revision" folder under the Author Main Menu. Your revision due date is Sep 09, 2022. We understand that the COVID-19 pandemic may well be causing disruption for you and your colleagues. If that is the case for you and it has an impact on your ability to make revisions to address the concerns that came up in the review process, please reach out to us.

I look forward to receiving your revised manuscript.

Kind regards,

Embargo

Embargos are not automatically set for papers published in Heliyon. Papers appear online a few days after acceptance. To request a media embargo and/or publication on a specific date to assist an institutional press release, please reach out to the Heliyon team ([info@heliyon.com](mailto:info@heliyon.com)) as soon as possible and we will do our best to accommodate your request.

Heliyon is an online publication and we do not impose a limit on the length of the article or the number of figures. If you have supplementary content you would prefer not to combine with your main manuscript file please ensure all your supplementary files are self-contained and can stand alone (title, legend, etc), that all labels and names within the supplementary content are unique to avoid duplication, and that these files are referenced within the main text. Please also ensure that the file name for each file is labelled as the file is referenced in-text, as that is how they will be named on our website. If you have any supplementary videos/audio files please provide a title and legend

Editorial Office:

Please include a list of authors on your manuscript file, including author affiliations.

We notice that you have added [Muhammad Saleh; Faiza Husnayeni Nahar; Triana Lidona Aprilani] and changed the order of authors [Muhammad Azizurrohmah] during the R1 round of revision. Before we can agree to ADDING AN AUTHOR/CHANGING THE LIST OF AUTHORS at this stage, could you please provide us with (a) a signed letter from yourself and all other co-authors agreeing to add/remove a new author, and agreeing to the new order of authors; (b) the name and affiliation for this new author; and (c) a confirmation of which of the following sections this new author contributed to:

- 1) conceived and designed the experiments;
- 2) performed the experiments;
- 3) analyzed and interpreted the data;
- 4) contributed reagents, materials, analysis tools or data;
- 5) wrote the paper.

You could upload the letter as Cover Letter.

Please note that all authors should have made substantial contributions to all of the following: (1) the conception and design of the study, the acquisition of data, or the analysis and interpretation of data (ie. at least one of sections 1-4 below); (2) drafting the article or critically revising its important intellectual content; (3) final approval of the version submitted. Currently, it seems author " Triana Lidona Aprilani " only contributed to writing and revising the paper. Please correct your Author Contribution Statement to follow the guidelines above, using only **Heliyon**'s standard wording as provided:

- 1 - Conceived and designed the experiments;
- 2 - Performed the experiments;
- 3 - Analyzed and interpreted the data;
- 4 - Contributed reagents, materials, analysis tools or data;
- 5 - Wrote the paper.

Please ensure that any co-author with the contribution "Wrote the paper" has also contributed to at least one other numbered section, and also the Analyzed and interpreted the data section is missing in the author contribution statement, as drafting of the article is not sufficient contribution to justify authorship in **Heliyon**.

Please reference all numbered tables in text. Currently, numbered tables [2, 3] in the manuscript have not been cited in text.

Please add a sentence in your Method section confirming that informed consent was obtained from all participants for your experiments, such as for interviews etc.

Please include your interview questions in the supplementary file.
