Dear Dr. Winengan,

This is with reference to your manuscript entitled "**THE DYNAMICS OF LOCAL POLITICAL POLICIES: The Rationality of the Choice of the Political Party Coalition in the Election Contestation of the Governor West Nusa Tenggara Province Indonesia**" submitted for publication in the International Journal of Criminology and Sociology. It is my pleasure to inform you that the referees have suggested to accept your manuscript after some minor revision.

You are required to revise your manuscript according to the referees' comments below, in addition to these comments also please have a look at Editorial Requirements at 'Authors Guidelines' particularly in term of reference section when revising your manuscript. We greatly, anticipate submission of your revised manuscript (in **MS-Word** or **LaTeX**) **in a week**.

The attached enclosed file has been reviewed. Please send the final copy of the manuscript as suggested by the reviewers.

Reviewer comments 1 :

1. Title is not written properly. Rewrite the title.
2. Sentences are so long in many places. Restructure your sentences.
3. Research Method is not clear.
4. Discussion is so poor. It is not matching with results.
5. Rewrite conclusion.

Reviewer comments 2:

The author needs English Editing of the article making the sentences shorter and clearer.

This is a particularly good topic and the author has good information to share.

Language editing will make the paper acceptable for publication and can assist government officials in other countries to understand the political process the author has researched.

Please note that the publishing option for authors after their manuscript is accepted for publications:

OPEN ACCESS: Your article your article is published with barrier free access for readers. The article processing fee is **US\$ 400**.

Please make sure to send your response to the reviewers comments in a separate word file.

You are requested to kindly confirm a safe receipt of the message and don't hesitate to contact us if you have any additional query/concern.

Looking forward to hear from you at your earliest possible.

Dear Dr. Winengan;

Please find enclosed the composed version of your article and I will be grateful if you could kindly check the manuscript for any potential errors, missing lines/paragraphs, errors in figures/diagrams etc. Authors must ensure that all references are complete and accurate in accordance with the journal's instruction for author.

You are required to complete the following steps after reviewing the galley proofs of your manuscript:

1. Kindly ensure to return a typed **list of corrections** along with the corrected article within the **next three days** by email at fimran@lifescienceglobal.com
 - a. Corrections reported on galley proofs PDFs / PDF comments are acceptable.
 - b. Please print the composed version and mark the suggestion/changes clearly, scan the corrected copy and send us via e-mail.
 - c. Corrections are also acceptable through a list of corrections. Please find attached a MS Word template file to use for the list of corrections.
2. Please find enclosed a copyright notice / author declaration from which needs to be filled in and returned along with your comments on the galley proofs. Please submit the e-mail addresses of all co-authors in your article. We maintain contact information record of all contributing authors to keep them updated about the publication.
3. Article Reprints are supplied only ON ORDER. An order of a minimum one hundred (100) copies can be placed using the attached Reprint Order form.

Notes about the Galley Proofs:

The enclosed galley proofs have been prepared directly from the electronic files of the manuscript you provided. However, in the transformation process, certain errors may occur due to different software versions used. Thus the typesetting department is not responsible for the inclusion of such errors.

The conversion to PDF version may also distort your original figures, therefore kindly

check them carefully and report these problems. All figures will be reproduced directly from your supplied copies and the resolution of the figures in the final manuscript will be exactly the same as the figures you supplied to us with the original manuscript (except chemical structures).

This manuscript is being considered with the understanding that it is submitted on an exclusive basis and has not been submitted elsewhere simultaneously for publication.

Kindly acknowledge the receipt of this e-mail at your earliest convenience. For any other assistance or information feel free to contact us at info@lifescienceglobal.com.

With best wishes,

Farrukh Imran
