Dear Prof./ Dr. Winengan,

First of all I would like to thank you for your support in reviewing a manuscript for the IJCS earlier this year.

As you are a member of our team now and we would greatly appreciate if you could help us by conducting the evaluation of one more paper this year. The manuscript needs urgent publication and I request you to complete the review in one week. Please find attached the manuscript along with the evaluation.

Please let me know if you will not be able to participate in the review so I can approach and request another referee for this task.

Once again, I thank you for your participation in the past and I hope that you will take my request in consideration.

Regards,

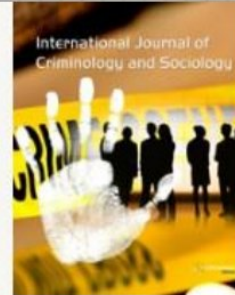

Zahid Khan
